Agent Opportunity

Fast Phones, Inc. is offering 2 different incentives for your business, In-store Stand Agent or Authorized Agent Payment Center.

In-Store Stand:
Stand alone Display (Various Sizes available)-requires no training or interaction from your employees. The display will hold self-addressed, postage paid Application/Self-Certification forms for Lifeline customers. The customer will be responsible for completing the form and mailing to Fast Phones. A designated number on the forms will allow us to track all phone orders that are generated by your locations. Fast Phones will pay commissions on each order that is completed.

 Commission Structure: $15.00 Per Completed New Order

Authorized Agent Payment Center:
As an AAPC, you will accept new service orders and monthly phone payments for Fast Phones customers. Our AAPCs are able to develop a larger and more loyal customer base that returns monthly not only to pay their telephone bill but to trade with them as well.

 Fast Phones will train employees on the process of completing new service agreements and posting payments through our simple AutoPay (Electronic Payment Processing) Software. You can also offer our full product line to all customers (Including local service, long distance & Internet).
