Title Pawn Council of Alabama

DATE: September 17, 2009

FROM: Roy Hutcheson, Title Cash, AARAL Member & TPCA Board Member

SUBJECT: Senator Shelby Fundraiser & AARAL PAC Membership

Senator Shelby is the Ranking Member of Banking, Housing, and Urban Affairs and will be very instrumental in any legislation that effects short term automobile lending. The Consumer Finance Protection Act would place our future in the hands of non-elected or accountable decision makers. We have a chance to not reelect legislators that can affect our future, but we won't be able to do anything to protect ourselves if the Consumer Finance Protect Act is passed. AARAL, the national trade group for the title lending industry (www.responsibleautolenders.org), through their lobbying group has asked us to raise \$25,000 to \$50,000 for Senator Shelby and hold a reception before October 31st. We need to commit at least \$40,000 toward that end from our Alabama, Mississippi and Tennessee friends. I also would like to invite you to attend a reception to show support for our industry and to Senator Shelby.

Please share this request with other association members and non-members and ask them to please give us a commitment by name and amount by responding to me as noted below.

At the Mississippi Title Pledge Association Meeting on Tuesday I also requested the attending members help in joining the AARAL PAC. Even if you are not a member of AARAL you can join the PAC and contribute any amount. We need more members to make the PAC work. Your membership is more important more than any amount you agree to contribute. Please complete the PAC form below and forward it to me as soon as possible.

HELP PLEASE!
